How Your Donations Will Be Used

On an ongoing basis, your donations will be used to facilitate low-cost spaying, neutering, and inoculations for pets in need, to provide food and veterinary care to animals we rescue and foster, and to generate educational materials and activities to help raise awareness of animal issues in our town.

When you donate money to Animal Friends of Lansdowne, we promise that every penny will be spent to benefit animals *right here in Lansdowne* and will not leave our own community.

Please note that donations to Animal Friends of Lansdowne are tax-deductible.

Who We Are

Animal Friends of Lansdowne was founded in February, 2005 as an organization comprised of citizens who are passionate about animals and animal issues. We are concerned about the responsible management of our domestic and feral animals and about making Lansdowne a safe haven for people and animals to live in harmony.

To this end, we are committed to such issues as animal rescue and adoption, education and awareness, population control, health and sanitation, and, always, the humane treatment of all animals.

Mission Statement

Our mission is to advocate for animals in our community and for the people who care for and about them; to raise awareness of important animal issues through educational and promotional activities; and to foster the kind and responsible stewardship of both domestic and feral animals.

PLEASE JOIN US!

We need fosters, members,

volunteers, and funds in order to succeed in our mission. We invite you to join our organization and to get involved to the extent that you can. Donations are always welcome, and volunteers are needed to:

Our Activities

Rescue and Fostering

While AFL is not a rescue organization and does not have shelter facilities, we have provided emergency assistance to animals in need within our community. AFL now has a presence on Petfinder.com and has successfully fostered and placed several pets.

Community Outreach and Education

AFL has a comprehensive website which provides links to many local animal resources. We also produce a quarterly newsletter filled with animal success stories, fun facts, and helpful information. AFL has also partnered with the Lansdowne Public Library, donating animal-related books and setting up a display and animal-related events each year in the library foyer.

Events and Fundraisers

AFL has held a number of events over the years, including dog walks, dog washes, yard sales, our Five Year Gala, and Paws for Kindness Day, altogether raising thousands of dollars to help animals in our community.
